

IN The early part of 1988, Edna and I started to work up her Genealogy which would also apply to her brothers, Ralph, Glenn and Edgar. We did this because of her interest in preserving family history. Also so the children might know more about their ancestors. I did it because of my regard for Edna and I enjoy doing these things. They became very interesting and fascinating. Thus we both did it for the love of family history and not for monetary gain or personal fame.

We are very thankful to all family member, near and far, who helped us with the project. Also to libraries, Court Houses, Genealogical Societies both in West Virginia and Pennsylvania.

A personal THANKS goes to Doc for taking us up "hollers" where it would have been difficult to "whip a goat".

Also to Tonya and Cori for climbing through bushes and briars so the information on a tombstone could be cleaned and become readable. Also to Tonya for zexxing the pages to make these books.

Our son, Bill, got the different forms and covering so Edna could have an attractive cover for her book.

So this is Sept. 25, 1990 and we are assembling all the information we have but will continue our search for answers to the many questions remaining.

We hope you will enjoy looking through these pages.

Edna and Mae
